MEMORANDUM FOR: Deputy Director, Central Intelligence

25X1 SUBJECT : [redacted]

1. The Personnel Office has made a check with [redacted] present place of employment, the General Accounting Office, and they find that [redacted] is sixty-seven years of age and has been eligible for retirement for some time. 25X1

2. [redacted] was reduced from Grade 7 to Grade 5 in 1949 and is now scheduled for reduction to GS-3, owing to Reduction in Force. The Personnel Office at the General Accounting Office indicated that [redacted] probably would elect to retire rather than take this final reduction. 25X1

3. It is believed that [redacted] age makes it undesirable for us to consider him for employment with this Agency. 25X1

MEMORANDUM FOR: Deputy Director, Administration
FROM: Deputy Director Central Intelligence
25X1 SUBJECT: [redacted]

I attach a letter from [redacted] whom I used to know
well some 30 years ago when we were together at the Paris Peace
Conference but hadn't heard from since. I doubt whether we have
any use for him as we probably would want to take on younger men,
but I thought you might want to glance it over before I sent a
discouraging reply. Possibly Saunders could make a check.

Mrs. dear Mrs. Dulles,

Your telephone call early last Friday was certainly appreciated and I recognized your voice as you did mine. It brought to my mind our pleasant associations at the Peace Conference, Paris.

The General Accounting Office where I am employed is now going through a reorganization, abolishing several Divisions, downgrading hundreds, and creating demoralization in general.

Briefly, herein are some of my experiences and background, so you will be able to judge whether I may fit somewhere in your Agency. If it does and my services may be used I shall retire from my office, otherwise obtain its consent to separation.

I have a college education, having

attended both West Virginia University and Dickinson College, ten years banking experience, accounting and supervision of it at many of our largest Embassies, Special Disbursing Officer for all missions sent to Europe and South America by the President or Secretary of State.

I was closely associated with Colonel E. M. House and on the staff of General Tasker H. Bliss at the Supreme War Council, Versailles.

While with the Peace Commission in Paris, I was detailed by Secretary of State, Robert Lansing to Sir Eric Drummond in London to be business manager of the League of Nations at its inception in 1919.

In the General Accounting office I have examined War, Navy, and Maritime ~~Government contracts, subcontracts, etc~~ —

It will be a pleasure to call on you when it is convenient for you to have me do so, if only to pray my respects.

Virginia joins me in best wishes to Mrs Dulles and yourself.

Your old friend,
